- ❖ Offshore supply vessel (OSV) pre-activation services.
- ❖ Approved GMDSS Radio Surveyors & GMDSS (UK) certified Engineers for leading classification societies and experienced with major brand equipment.

PROJECT SERVICES

- ❖ Experienced project managers and qualified Navcom, GMDSS & Satcom installation engineers.
- ❖ From initial survey through design and installation, Marasi Marine Service is a Maritime Engineering Powerhouse.

PROJECT SERVICES

- ❖ Carries out periodical and initial Radio (GMDSS) & Navigational Surveys for all major classifications.

MARASI MARINE SERVICE
مراشي للخدمات البحرية

LSA inspection and repair Maker approved service technician attendance to conduct full range of inspection and maintenance of LSA onboard commercial vessels.

Taking care of all certification requirements & procurement of services' spare parts.

Lifeboat hook modification

Lifeboat engine overhauling

Wire and cargo hose renewal services

Life raft service station

Lifeboat / davit rescue boat Inspection & certification

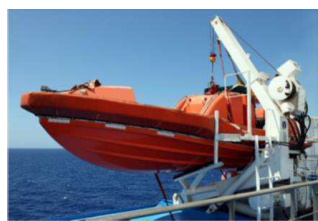

Inflatable life jacket inspection and re-certification

Immersion and chemical suit inspection & certification

Annual and 5 yearly inspection

MARASI MARINE SERVICE
مراشي للخدمات البحرية

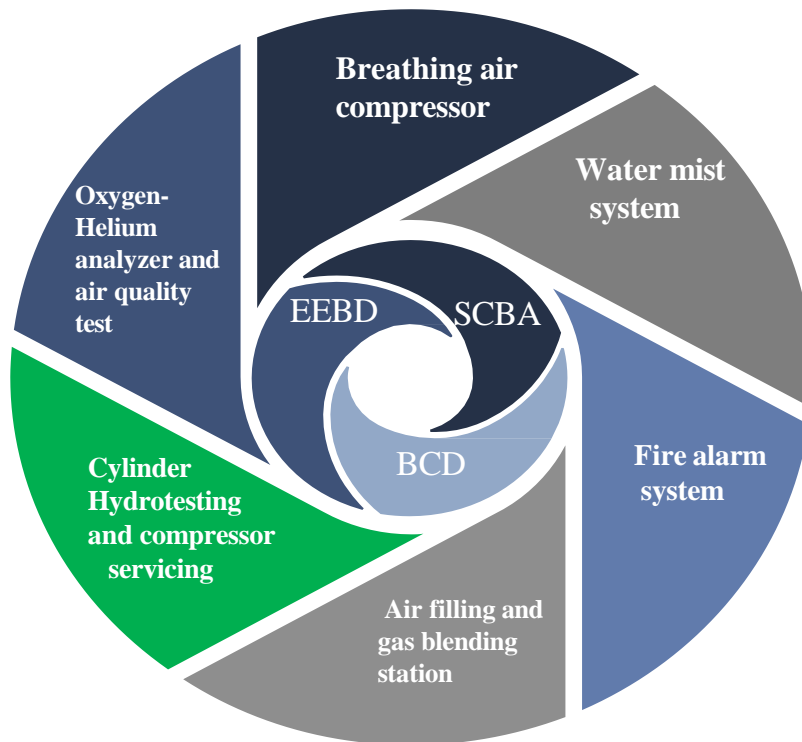

Delivering the best services through our trained staff on fire fighting equipment inspection and providing 5-yearly inspection in KSA, with remote support on small repair jobs.

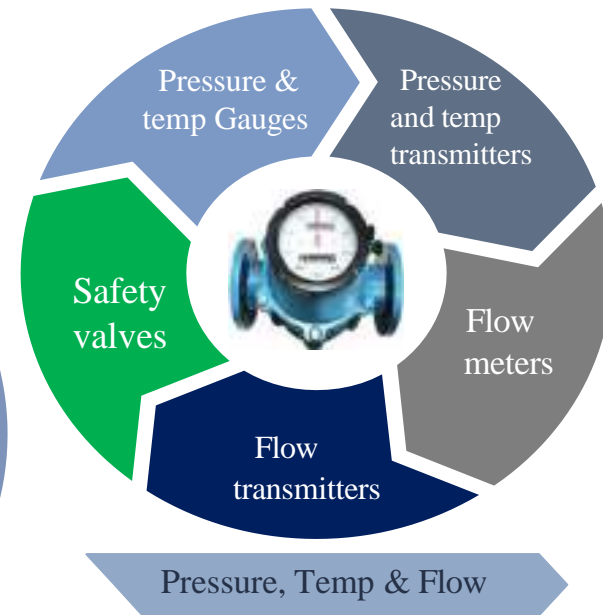

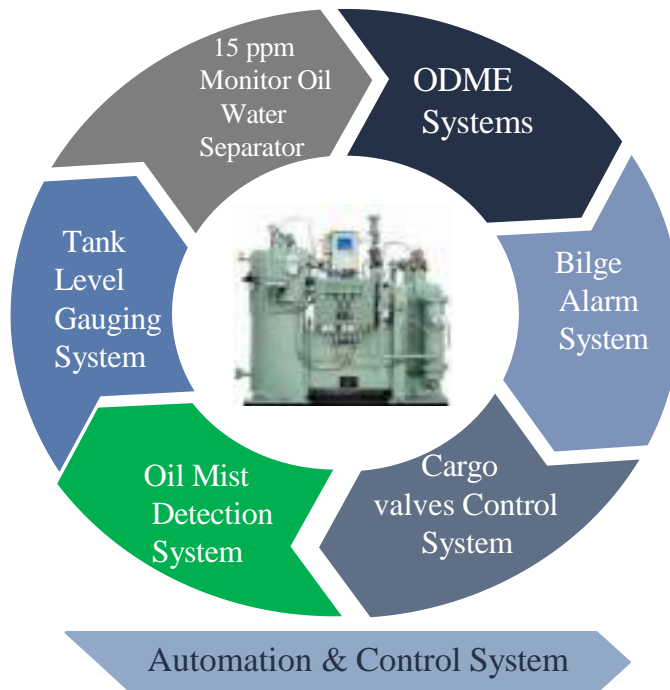

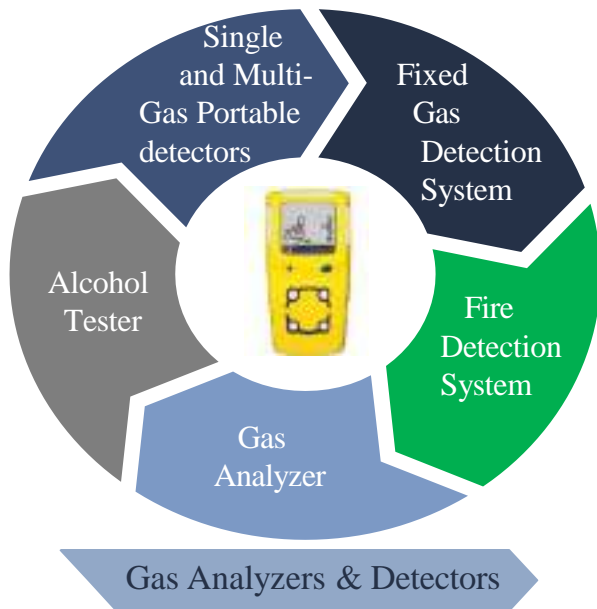

Annual Inspection , Certification and Servicing

- Portable Fire Extinguisher
- Semi Portable Fire Extinguisher
- Fixed Foam Fire Fighting System
- Fire Extinguisher Recharging and Repair
- Fixed CO2 System

CALIBRATION SERVICES

UTG & NDT INSPECTION

- **Hull thickness measurement.**
- **Ultrasonic thickness measurement.**
- **NDT services:**
 - ❖ Ultrasonic & Liquid Penetrant Testing.
 - ❖ Visual & Magnetic Particle Inspection.
 - ❖ Eddy Current Inspection.
 - ❖ UTM of Marine and Offshore Structures

**SHIP
&
RIG REPAIR**

Ship Repair Services:

Hull And Piping Repair:

**Steel And Aluminum Hull
And Welding Repair**

**Pipeline And Valves
Overhauls /Renewals**

- Pipelines repair and new fabrication, installation and test.
- Valves and pumps installation and test.

- Hull & Outfitting Floats Repair.

Ship Repair Services:

ELECTROMECHANICS REPAIR

Diesel/ Hydraulic Mechanical Repair

- Main engine overhauling.
- Hydraulic equipment overhauling and installation.
- Laser alignment & chock fast.
- Deck machinery overhauling and installation.

Electrical Repair

- MSB overhauling and maintenance.
- Wheelhouse console repair and navigation devices calibration.
- Electrical and associated automation control systems repairs.

HVAC Repair

- HVAC overhauling and new installation.
- Preventive maintenance contacting.
- Ducts installation, modification and repair.

Ship Repair Services:

Painting, blasting, tank cleaning and scaffolding.

Painting & Blasting

Blasting of tanks and external decks.
Copper slag and garnet media.
Apply full system coat and approved from painting inspector.

Tank Cleaning

Tanks pump out and cleaning.
Sludge, Sewage and bulk cargo discharge and cleaning.

Scaffolding

Apply any scaffolding shape required, customize along with client required with high skilled certified manpower.

CATHODIC PROTECTION

Marasi Marine Service Co. supplies cathodic protection design, engineering and field services to the marine and offshore.

Marasi Marine Products:

- ❖ Thermite welds.
- ❖ Reference electrodes.
- ❖ Testing equipment.
- ❖ Impressed current anodes.
- ❖ Internal corrosion monitoring solutions.
- ❖ Junction boxes.
- ❖ Remote monitoring & control systems.
- ❖ Miscellaneous CP materials.
- ❖ Vapor phase corrosion inhibitor solutions.
- ❖ Transformer rectifiers.
- ❖ Photovoltaic-powered CP systems.
- ❖ Sacrificial anodes.
- ❖ Test stations.
- ❖ Corrosion coupons.
- ❖ Specialty cables.

MANPOWER SUPPLY

MARASI MARINE PROJECTS

Company has successfully completed several large-scale projects that were not without challenges and difficulties. These projects were completed to perfection, within the required timeframe, and with the highest efficiency. Among these projects are:

- ❖ Bunkering barge building (ship building department).
- ❖ ARAMCO – Loading Arms Overhauling – Yanbu.
- ❖ L&T jack up Rig demolition.
- ❖ Red sea global communication tower fabrication for (Naghi Marine Co.).
- ❖ Sea Beacons Fabrication Project for (Naghi Marine Co.).
- ❖ Sea jet platform Fabrication.
- ❖ QMS Almaryah (Zakher Marine)

QMS Almaryah (Zakher Marine) blasting and painting:

Start date: 25/07/2024
End date: 05/08/2024

The blasting and painting process for the outer shell and deck of a jack-up barge is critical for protecting the structure from corrosion, ensuring its longevity, and maintaining safety standards.

Sea Jet Platform Fabrication:

Start date: 08/02/2024
End date: 09/03/2024

The fabrication of a SEA JET platform involves multiple stages, combining advanced engineering, precise construction, and stringent quality control to ensure safety and functionality.

Sea Beacons Fabrication (10 pcs.) Project for (Naghi Marine Co.):

Strat date: 12/05/2024
End date:23/07/2024

Fabricating steel sea beacons involves several key steps to ensure they are durable, reliable, and capable of withstanding harsh marine environments.

Red sea global communication towers fabrication for (Naghi Marine Co.):

Strat date: 01/04/2024
End date:21/04/2024

Fabricating global communication towers for installation at sea with a focus on painting involves additional considerations for surface preparation and coating application to ensure long-term durability in a harsh marine environment.

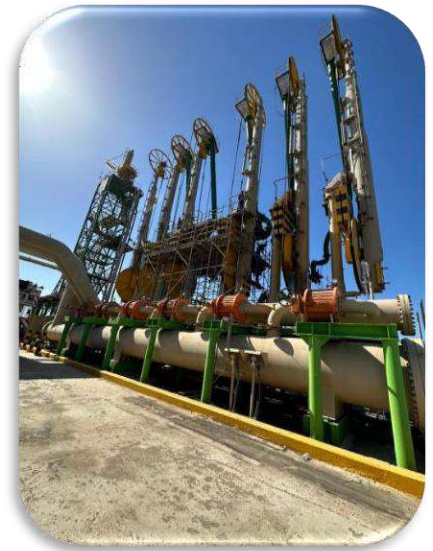

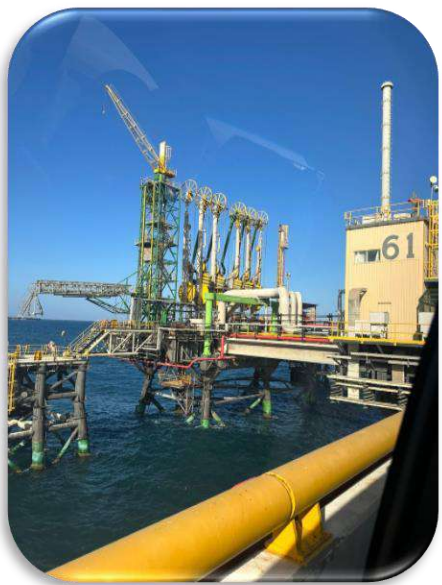

L&T / Aramco rig jacket Demolition:

Strat date: 06/03/2024
End date: 17/03/2024

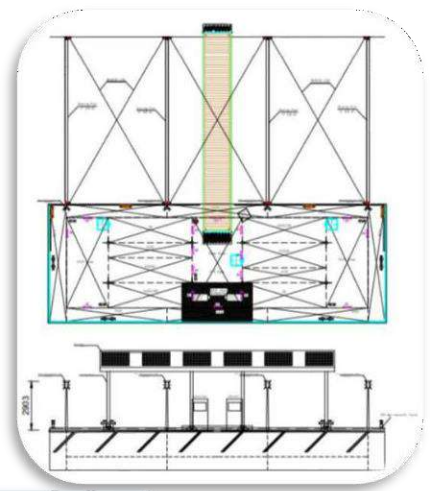

ARAMCO – Loading Arms Overhauling – Yanbu:

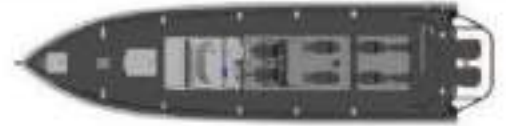

Bunkering barge building:

Strat date: 08/12/2022
End date:23/03/2023

SHIPBUILDING SERVICES

- HIGH SPEED AND CARBON FIBER BOATS
- GREEN ENGINE AND GENERATORS
- Authorized agency & after sales service (hydrofoil hull).
- Manufacturing localization.
- Sales of general supply, deck store items.
- Warranty repairs and maintenance.
